## WHO WE ARE

---

**Z-INCASH** is a visionary company that operates in the crypto arbitration and forex trading, combining cutting-edge technology, automation and strategy to maximize results.

Founded in 2025, the company has developed proprietary algorithms and has experienced traders, combining human and artificial intelligence to deliver high-level performance.

Now, we open our doors to global investors seeking safe, modern and intelligent growth.

## WHAT DO WE DO?

We are experts in operations in the forex market and arbitration in crypto.

We have a highly qualified team of experts, which ensures that our services exceed any traditional variable income option in the market.

**Z-INCASH actively operates in the  
Forex market, the largest and most  
liquid market in the world, with over  
US\$6 Trillion Traded Daily.**

**We use a combination of algorithmic  
robots and advanced manual strategies,  
executed by expert traders, to guarantee  
performance even in highly volatile  
scenarios.**
